

what's your size?

*Print at 100% to ensure accuracy

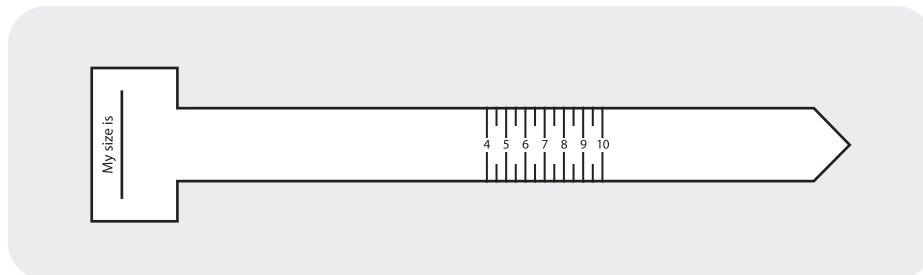

RadRingz are available in six sizes:

Directions

- Print and carefully cut out the paper ring sizer.
- Make a small slit on the line next to "My size is"
- Slip the pointed end through the slit making a loose circle.
- Place around your finger and pull the pointed end to tighten.

*Don't wrap the paper too tightly. It should be a comfortable and snug fit.

For best results, have someone help you measure and double check the size!
